

3rd Annual Huron Heights Bike To School Day

The third annual Bike to ~~Work~~ School Day is to take place in Newmarket on Monday May 25th. The Newmarket Chamber of Commerce is sponsoring the event with a big breakfast party at the Chamber of Commerce located at the Old Railway Station at 470 Davis Drive. Enjoy a healthy commute and a **complimentary breakfast**. You can win some great **prizes** amongst them bike, t-shirts, lights etc. Come out and meet the mayors of Newmarket and East Gwillimbury.

Huron Heights has been invited to join in this fantastic event. We would like to get as many staff and students as possible to ride to the Old Railway Station for breakfast and prizes. We could then ride as a big police escorted parade down Davis Drive to school. We will have our own prizes for most creative helmet, best decorated bicycle, best team costume theme, furthest bike ride, tightest spandex pants (just kidding – we don't want to know you that well) etc. It will be a big festival atmosphere.

It would be nice to have staff and students from each town meet at a central location and ride to the breakfast as a group.

Newmarket – meet at the Old Railway Station at 8:00 am

Queensville – meet at the variety store (Leslie & Queensville Sideroad) at 7:15 am

Sharon – meet in the Vince's parking lot at 7:30 am.

Holland Landing – meet in the parking lot of the Grist Mill Plaza at 7:30 am

Mount Albert – meet at the entrance to the fair grounds off Main Street at 7:00 am. I know it's early but, I have a feeling the Mount will represent. If you would like to participate, but don't feel up to the whole ride you could have your parents drop you and your bike off at one of the other meeting places mentioned.

Bikes will be locked securely at the school for the day like a big coat check.

Everyone must wear a helmet, even if it is an old hockey helmet. Be creative but, be safe.
